

## BEWARE OF FALSE PROPHETS IN SHEEPS CLOTHING

Matthew 7: 15

The Lord taught us that few go in by Christ the Straight Gate, and continue in Christ the Narrow Way. He said that many go in the wide gate and broad way. So then the majority of prophets are false (Matthew 24:11.) We are talking about men who wear the outward dress of Christ's sheep. They will do many wonderful works, but inwardly they are ravenous wolves.
