

PROVING CHRIST TRUE BY DISAPPROVAL

John 15: 18: If the world hate you, ye know that it hated me before *it hated* you.

Folks who oppose the believer for resting entirely in Christ do exactly as the Pharisees did to Christ in their opposition of him. Without knowing it, without intending it, in all their attacks on the believer they say and do precisely what Christ said they would according to the scriptures. Their goal is to convince us the bible is just another book and that Christ is just another man. Yet, by the very arguments they deem so ingenious, they only prove to us that Christ is indeed God our Savior and that every word of God is true. And while they endeavor to turn us from Christ they only make us cling ever more tightly to our Lord and Savior.
